

Fine Motor

★ Pouring Activities

- Materials: Water bottles, pitchers, big bucket (optional) and cups
- Directions: Create a pouring station so your child can practice their pouring skills and have a little water play!
- Reference: [Click Here](#)

★ Lacing

- Materials: Cardboard and yarn
- Directions: Make holes in your cardboard box and then tie one side of the yarn to a hole. Let your child lace and create! You can use different colors to make it look fun! They can practice tying too.
