

# Arts & Crafts

## ★ Food Craft: Take crafting into the kitchen!

- Materials: Fruits, bread, any spread
- Directions: Make a cute owl using different fruits and bread! Let your child decorate it and eat it as a snack!

## ★ Window Art

- Materials: contact paper and tissue paper
- Directions: Cut up your tissue paper into different shapes and sizes. Have your child decorate the window by placing the tissue paper on the contact paper! Place it on a window and go outside and see your creation!
